

Public Information

The Planning Accreditation Board requires this information be posted for the *UMKC BA in Urban Planning + Design* program.

Student Achievement

Students in UPD 312 Urban Planning + Design Studio II created an existing conditions report, studies of the elements of the public realm, and designs of transit-oriented-developments at mobility hubs as an early exploration of the planning and design possibilities of the Bi-State Sustainable Reinvestment Corridor. This east-west corridor proposes to link Independence, Missouri with the West Village area of Kansas City, Kansas. Student work may be viewed at <https://info.umkc.edu/63rd-st-studio/?p=5101>.
